

Attention Clark County Residence:

Planting, digging, altering or destroying the grade and ditch of a county road right-of-way is a Class 2 misdemeanor pursuant to SDCL 31-32-7. No unauthorized person may destroy or alter the right-of-way to a county road at anytime.

Planting, digging, or altering the right-of-way or road can obstruct the view at intersections and create dangerous driving conditions. Altering the grade of a ditch also affects the natural flow of water.

Everyone's cooperation in this matter would be greatly appreciated so that our roadways stay safe!
